CALL FOR PAPERS
22nd Annual IFIP WG 11.3 Working Conference on Data and Applications Security
Conference Web Site: http://seclab.dti.unimi.it/~ifip113/2008/

SCOPE
The 22nd Annual IFIP WG 11.3 Working Conference on Data and Applications Security provides a forum for presenting original unpublished research results, practical experiences, and innovative ideas in data and applications security. Papers and panel proposals are also solicited. The conference proceedings will be published by Springer in the Lecture Notes in Computer Science series http://www.springeronline.com/lncs.

Papers may present theory, techniques, applications, or practical experience on topics of relevance to IFIP WG 11.3:
- Access Control
- Applied cryptography in data security
- Identity theft and countermeasures
- Integrity maintenance
- Intrusion detection
- Knowledge discovery and privacy
- Organizational security
- Privacy and privacy-preserving data management
- Secure transaction processing
- Secure information integration
- Secure Semantic Web
- Secure sensor monitoring
- Secure Web Services
- Threats, vulnerabilities, and risk management
- Trust management

Additional topics of interest include (but are not limited to): Critical Infrastructure Protection, Cyber Terrorism, Information Warfare, Database Forensics, Electronic Commerce Security, and Security in Digital Health Care.

PAPER SUBMISSIONS
Authors are invited to submit their contributions electronically through the conference web site. Submission must be in the form of a PDF file. Manuscripts must be in English, typed in double spaced format in 11-point font (minimum), and must not be more than 16 pages long. Manuscripts must have a cover page with title, name and addresses (including e-mail address) of authors, an abstract, and a set of keywords. At least one author of each accepted paper is required to register with the conference and present the paper. Accepted papers will be published in the conference proceedings. The final copy of a paper for the proceedings must use LaTeX, and must be laid out according to the Camera Ready Copy format required by Springer.

PANEL PROPOSALS
Proposals for panels should be e-mailed to the PC chair (atluri@rutgers.edu). Proposals should include a one-page description of the subject matter, the name and address (including e-mail address) of the organizer, and a list of proposed panelists.

DUPLICATE SUBMISSION POLICY
A submitted paper must not be under review for inclusion in any other conference or journal, and must be substantially different from previously published work. Duplicate submissions will be automatically rejected and without review.

IMPORTANT DATES
Paper Submission due: February 27, 2008 (firm)
Final papers due: May 1, 2008.
